

GCC Giving Liturgy

We come now to our time of giving; a time to worship in action and sacrifice.

Teach us to hold with open hands all the you have entrusted to us,
For every breath is a gift, every treasure is a fit and every resource is a gift,
Given by you.

Grow in us a generous and thankful spirit.
A heart that seeks first your kingdom.
And will not be ruled by the love of much, or by the fear of little.

We do not give to receive, and yet as we give, we receive much.
We do not give to her blessed, and yet as we go e we are deeply blessed.

We give as a gracious and worshipful response to all we have already been given.

We give as an act of discipleship, a spiritual discipline to grow us in
Christ-likeness. We give to fuel the mission and mandate of God's church.

May our giving shape us, sanctify us, change us, and make us everyday more like
Jesus.

Amen.
